"We have properties in Orlando, Tampa, Pensacola and several throughout Palm Beach County and have really appreciated the professional team at Azure Restoration Services. It's unfortunate when disaster happens, even if it's just water pipes breaking. Not knowing this restoration team has our backs - really helped!"

**Shelley Curtis**

"Excellent company! The guys from Azure Restoration were incredibly helpful and were friendly and polite. They did everything they could to help my family and they worked with their hours. We had a lot of water damage with even more restoration work to be done. We can't thank you and your guys for some of the best work that we've ever seen. It was that came up, they took care of us quickly and professionally. Once everything was done, we missed having the guys around!"

**Thomas M.**

"Working with Azure Restoration was an excellent experience in terms of personal regards. Right from the beginning they came and guided us from start to finish. This crew was terrific, well trained, and professional. I cannot recommend their services any more. All better guys and some guidelines, so to get your home restored and beautiful again."

## Water Damage

We Respond to Emergency Situations Promptly to Serve You Quickly

[Learn More About Water Damage](#)

### Water Damage Restoration

Water damage can cause serious damage that can affect homes, offices, or other facilities. These harmful damages can be mitigated significantly with prompt, right water damage restoration services from our team.

Home or business to a stable, pre-incident condition. We handle water and moisture, decontamination, and then we clean and restore to the perfect environment. We take care of you and your business. Prolonged exposure to these can lead to allergic reactions, as well as disease.

Restored facility may even need to be rebuilt, replaced and carpet can absorb water, developing bacteria cannot be removed. Replacing these materials is far more expensive than a repair that enables infectious organisms to be removed.

### Causes of Water Damage

Water damage can occur in a variety of ways. It can be caused by a variety of different scenarios that may result in water damage to your home or business. This often requires immediate, professional attention to prevent further damage. This is why critical restoration from a professional is essential. We can help you understand what to look for and remain aware of potential risks to prevent damage against future incidents. Experience enables Azure Restoration to spot problems early, addressing the situation before the damage becomes serious.

**Causes of Water Damage Could Include:**

- Bursting and Leaking Pipes
- Plumbing Issues
- Moisture Buildup in Areas Prone to Collecting Water
  - Crawl Spaces
  - Attics
  - Basements
- Faulty, Malfunctioning, or Outdated Appliances
- HVAC Problems
- Natural Disasters and Weather-Associated Problems

### Act Fast with Water Damage Restoration Services from Azure Restoration

No matter if a home or business experiences water damage due to leaking pipes, malfunctioning or outdated appliances, or even a disaster, it's important to remove any contaminated materials as soon as possible.

Removing these materials reduces the potential for dangerous microorganisms to multiply and spread, as well as improves the overall air quality in the home. This expedites the overall repair and restoration process, making the whole procedure much easier.

For an immediate response to your water damage emergency, the experts from Azure Restoration are an ideal solution. We bring an expert crew, the right equipment, and proven procedures to eliminate water damage and repair damaged areas. Licensed and insured, we will work with insurance companies to make sure you get an emergency situation. [Contact Azure Restoration today!](#)
