JP JIU-JITSU ACADEMY

We teach Jiu-Jitsu for adults, teens, and children to defend themselves against stronger and larger attackers. We use the philosophies, moral codes, and the Art of Jiu-Jitsu as a guide to direct the youth down an honorable path. At JP Jiu-Jitsu Academy, we provide a positive social circle and positive outlet for the youthful energy in the younger generations. We use the Art as a tool to build children's coordination, balance, confidence, and self-esteem.
